Dates to Remember

April 6 - 10
Spring Break

Principal's Notes

I am trusting that you and your families are safe and healthy. As we continue to combat the COVID-19 health crisis, it is necessary to make tough decisions that are in the best interest of our students and staff. One of those tough decisions was announced during Governor Kemp's news conference. The Governor presented a new executive order that includes the closure of Georgia K-12 schools for the remainder of the 2019-2020 school year. We miss you all and will continue to keep you posted on any updates. I hope you all had a wonderful Spring Break!

CHARACTER TRAIT OF THE MONTH: Honesty

What is Honesty?

Being truthful in your words and actions.

STUDENTS:

Make Honesty a Part of Your Education

Honesty is an important choice to which students need to make a commitment. It is important to understand that honesty should not be a choice in

only a particular situation, but should become a part of the way you live your life.

Co-Presidents' Corner

Hello Livsey Families

Well, school is now closed for the remainder of the 2019-2020 school year and we are all adjusting in some capacity to what seems to be our new normal, at least temporarily. COVID-19, the disease caused by SARS-CoV-2, has been spreading across the country and I'm sure the fight to reduce the spread of this disease has been taking a toll on everyone's physical and mental health. However, there are signs of hope. While early and location-specific, there are positive signs that we are making progress against COVID-19. Our commitment to shelter-in-place and social distancing is working.

Gosh, do we miss our Livsey family! It is truly during times like this that we are increasingly grateful for our amazing Livsey community - from the teachers and staff to the administration, parents, and volunteers. And as much as we loved our Livsey teachers before, I'm sure we ALL have an even greater appreciation for them now as we are helping our children with their virtual learning assignments! Our amazing teachers have been adjusting to these changes as well and many are holding Zoom meetings with their classes, which has helped create some

normality in our kids' day and gives them a chance to see all of their friends and classmates.

If you haven't already, be sure to send in a landscape-oriented picture of your child engaged in learning to share on the Livsey Elementary homepage gallery. Pictures can be emailed to

Deborah_W_Sandford@dekalbschools.ga.org . Be sure to check out some of the pictures of Livsey students that are already on the homepage gallery at www.livseyes.dekalb.k12.ga.us !

It's not often that we are aware we're in a historical moment as it's happening, but this is one of those times - and the story is still being written. The entire Livsey community is in our thoughts as we all try to get through these unprecedented times. We hope that everyone stays healthy, well, and safe and as best stated by the City of Tucker: "Stay in Place. Maintain Your Space. Cover Your Face."

Remember, we are all in this together. Please reach out if there is ANYTHING you need.

With Livsey Love,

Health and Wellness

APRIL

April is National Fresh Celery Month

which provides an opportunity to experiment with recipes and challenge the way we use the vegetable in our cooking. Take celery beyond peanut butter sticks.

When combined with the right ingredients, celery can be a stunning addition to a dish. The beauty of celery is it adds a punch of crunch, a hint of vibrant color and subtle flavor without being overpowering.

While we may like filling the celery's convenient groove with peanut butter, there are other excellent fillers. Try seasoned cream cheese, chicken salad or hummus. Sliced celery dressed with light vinaigrette and grapes and walnuts make an excellent small salad. Don't forget the celery leaves. Toss them into your salads, too! For another salad spin, try goat cheese and chives with red onion.

There's a reason peanut butter and celery go together. It's not just an afternoon snack. Celery compliments many soups and does only have to go into a vegetable medley. Yes, peanut butter is another way to soup it up.

When it comes to the main dish, celery compliments nearly any protein and that includes non-animal proteins. Whether you're cooking with chicken, beef or beans, celery will boost texture and flavor.

Try a new recipe every week during National Fresh Celery Month, and discover how celery and benefit your cooking.

Check out the website [National Day Calendar](#).

With all the rainy weather we are having, we thought you would enjoy this recipe by Wonderfalk on www.allrecipes.com for Cream of Celery Soup! It is an easy cream soup that even people that don't like celery will love!

Cream of Celery Soup

3 quarts chicken stock	1 tablespoon salt
3 pounds celery, coarsely chopped	1 teaspoons ground white pepper
1/2 pound carrots, julienned	3 quarts hot milk
1/2 pound onions, chopped	1 cup margarine
1 cup all-purpose flour	

Prep Time: 20 minutes, Cook Time: 20 minutes, Ready In: 40 minutes

Directions

1. Pour the chicken stock into a large pot, and bring to a boil. Add the celery, carrots and onion to the pot.
2. Whisk together the flour, salt, pepper, and milk; add to the pot along with the margarine.
3. Boil for 10 minutes, then strain out the vegetables by pouring through a sieve, or if the vegetables are large enough, a colander may be used.

Serve and Enjoy!
